(South East Asian Campus Learning Education And Retention)

MENTORSHIP 2009-2010

You + Me = Our Education . Our Community . Our Future

The Southeast Asian Campus Learning Education and Retention (SEA CLEAR) Project includes a mentorship component that focuses on retention through a collective approach. By providing a support network between students, SEA CLEAR has helped hundreds mentors and mentees throughout the years. Mentorship aims to create a sense of community through developing strong family and pair relationships. Mentorship emphasizes the role of community and its impact on identity, support, and retention while encouraging community interaction through discussions around issues relevant to the SEA community. SEA CLEAR Mentorship also promotes student involvement through serving the community, providing the building blocks for individuals to strengthen their support network, enhance our community, and to make a new family.

MENTORSHIP FAMILY:

Family members are students who are willing to guide, support, educate, and advocate for one another. Participants in the Mentorship Family Program will be challenged to become more conscious and active students. Participants will also gain a strong support network and better understanding of their community that will help their retention.

Requirements for Family Members:

- Attend a Minimum of 1 Mentorship Event per Quarter
- Attend 2 Family Outings per Quarter
- Co-Facilitate/Organize/Volunteer at Least 1 Family Event/Program per Year
